School	
Date	

1. Explanation of project

2. Why did you choose this project?

3. What tech skills are being demonstrated with this project?

4. Timeline

Make a timeline showing the major dates items need completed by:

To include but not limited to:

1. Start date
2. Dates major components to the project need completed by
3. Completion date

10.TE.07 - Completes a project of the student's choice upon approval of the LPSD Technology Department.

5. Evaluation

What are you submitting for evaluation by your teacher?

Proficient Project Rubric

Design the evaluation rubric showing at least the developing and proficient columns. Your rubric must have at least four categories for your project and what must be present in order for these categories to be proficient. Rubrics need to include the technology skills in question 3, along with any other skills that will make the project proficient.

Your teacher will use this rubric to grade your project.

Category	Developing	Proficient

4. Supplies

What supplies will you need?
